## Customer Reviews

This book is helpful in learning Sting's bass lines to some of the Police's most popular songs. What I thought were the correct notes from tabs was not the case. This book appears very accurate and being able to slow the music down while not changing pitch is an awesome tool to slowly get the notes right. Sting's lines are pretty clever once you start learning. Fun book and I love the 'Play Along' series.

Great for learning songs, or just playing bedroom rock star. 8 cool Police songs with no bass or vocals getting in the way. Highly recommend!

Good tabs to follow for beginners, or pros. Sound track to play along with is pretty good. Not the original band though.
