The Daily Ukulele - Leap Year Edition: 366 More Songs For Better Living (Jumpin' Jim's Ukulele Songbooks)

Synopsis

(Fake Book). This super collection features 366 more well-known songs arranged for ukulele from the 1950s through today, by artists such as Carole King, Elton John, the Bee Gees, Stevie Wonder, the Beatles, Paul Simon, Bob Dylan, Michael Jackson and others, plus favorites from movies, Broadway, Motown and more! Just like the first Daily Ukulele book, all arrangements feature melody, lyrics and ukulele chord grids in uke-friendly keys. A special "Ukulele 101" section, a chord chart, and vintage ukulele-themed photos round out the fun. Tunes include: Ain't No Sunshine * Anticipation * Bubbly * Calendar Girl * Come Monday * Falling Slowly * Hallelujah * I Got You Babe * Lean on Me * Moondance * Route 66 * Sweet Caroline * We Are the World * Y.M.C.A. and scores more! The Daily Ukulele: Leap Year Edition offers ukulele fun all year long even on February 29th!

Customer Reviews

We just purchased The Daily Ukulele Leap Year Edition (on my husband's account so I am writing this review on his account site.) Now we have both books (365 and 366) and I absolutely love, love, love them! The contents of the 366 book are worth five stars and more!! but the book has one

problem. The only problem with the 366 that we just purchased is that the plastic binding for the book is just a bit too small for the number of pages, causing the binding to flatten somewhat instead of being very round. This makes the pages difficult to turn. So we have to turn the pages slowly with caution so as not to tear them from the binding. THAT BEING SAID, I STILL ABSOLUTELY LOVE THE 366 BOOK, THE FORMAT AND THE SONG CHOICES!! In both of the books there are many songs that I don't know, but there also great many songs that I DO know... a super mix of older and newer songs and a variety of genres of music. As someone pointed out, the 366 book has some harder songs than those in 365, but I love many of those songs. After using the 365 book, the 366 book looks like the next step in uke chord learning. Although they are not technically lesson books, there is enough basic info in the the beginning of each for anyone to learn to play the ukulele! I was floundering before I got the 365 and not very motivated to practice. The 365 is a GREAT beginner book. There are a few two-chord songs for a person to start on, also three-chord songs, and it goes on to more. The 366 , which we just recently purchased, will challenge me to move on to newer and harder uke experiences. I'm ready for the challenge!! The format... each book has a basic chord chart before the song pages start.
