In this book we can find great stories from the bible written easily and simple to understand, there are many doubts that I was having, some words in the holy bible are really hidden, with the spirit of God we can understand his holy words. Very informative and important book to know more about before Christ. God bless you all!

This is just the book I need. The author breaks down scripture in a way is easy to understand and I can relate to it. Plus, it won't take long to read, it is concise and to the point. Definitely worth looking into!
