MASTER MANIPULATOR  
: THE TRUE STORY  
OF SERIAL KILLER  
KIM SNIBSON

SUSAN GRAHAM

## Synopsis

Kim Snibson is a master manipulator who was envious of the life Greg Hosa and his wife Kathryn McKay had built together. Most notably, their horse farm. Situated in Nowra, New South Wales, Champagne Shires would be considered a small property when compared to the amount of land horse farms usually covered. Still, despite its modest size, it was far grander than Snibson could ever hope to own herself. For her, Champagne Shires was the perfect combination of all her fondest desires and life passions. Living next door to her dream made reality, it didn't take long for her fantasies of owning the property to become a perceived right. Snibson's greed led her to believe that she deserved Champagne Shires, while her ego convinced her that she could have it, if only the current owners were dealt away with. So she dealt with them the only way she knew how...She had them killed and stuffed their bodies into barrels.
