The Sacred Collection: The Vocal Library High Voice

Synopsis

(Vocal Collection). A huge collection of 70 sacred songs for classical singers, spanning an enormous range of literature, including art songs, traditional songs, 28 classic Burleigh spiritual arrangements (experts on African-American spirituals contend they are for singers of all ethnic heritages), and distinctive concert arrangements of hymns and folksongs by Richard Walters. There are four duets included. This collection will be as useful in the voice studio as in every working singer's repertoire and every church music library.

Customer Reviews

I love this!!! I sing in a church choir, and I cantor and do some solo songs for the meditation sometimes, so this book was PERFECT! I got it in perfect condition from the seller, too!

The book is great but I purchased this item because I wanted the book AND CD so it is of limited usefulness to me.

good selections
