Love Is Murder

Synopsis

Go on vacation with Allison Brennan's Lucy Kincaid, where she saves a man from drowning, only to discover he is in far greater danger on land. Meet Roxanne St. Claire's bullet catcher and bodyguard Donovan Rush who may have met his match in the sexually charged Diamond Drop. Debut author William Simon shows us what happens when the granddaughter of the president of the United States is kidnapped. And Lee Child's pitch-perfect The Heard a Romantic Story puts a whole new spin on Love Is Murder. Bodyguards, vigilantes, stalkers, serial killers, women (and men!) in jeopardy, cops, thieves, P.I.s, killers—these all-new stories will keep you thrilled and chilled late into the night.

Customer Reviews

"Ryan 'Grit' Taylor felt snow melting in his right boot. He didn't feel whatever snow might be melting in his left boot because he didn't have a left foot, or any of his left leg below the knee. In the year since he'd lost it in a firefight in Afghanistan, he'd learned to manage with a prosthesis..." This quote from Carla Neggers' contribution to THRILLER 3: LOVE IS MURDER is a small sample of the concise, excellent writing found throughout the book. "Cold Moonlight" is the gripping story of a wounded warrior, now working for the Secret Service as part of the detail assigned to the President of the United States. With imagination, great technique and crisp writing, Neggers tells a dynamic story in 14 short pages. Reading this anthology is like going to the best buffet in Las Vegas and trying to decide what to have first. Will you start with the story by your favorite author, Lee Child, or Heather Graham perhaps? Or maybe select one by an author you have been wanting to read but

haven't gotten around to yet, like William Simon or Roxanne St. Claire. So many books, so little time. But whether you start with an appetizer or a dessert, it will be difficult to stop with just one. LOVE IS MURDER provides a delicious array of the genre we love so much: mystery, suspense, and a little love story thrown in for us romantics. It seems that mystery readers have a commonality that seeks good to triumph over evil, wrongs to be righted, justice to be done, and the hero to get the girl. We like closure at the end of the books and are disappointed when the bad guys win. It will be difficult to declare which story is your favorite. Perhaps at some point, it will be the story about the wedding crasher who robs the guests and kidnaps the bride.
